Junior Play

The junior class play, "Phantom of the High School," was given December 22 in the auditorium under the direction of Miss Julia Harmon.

The story of this three act play was about a phantom and a treasure that was supposed to be in the school. Miss Harker, a teacher, found an old book and made a mysterious call to Mr. Gibney, the principal. This touched off a series of events which resulted in Miss Harker's being pushed down the stairs and the loss of the book. In spite of all these difficulties every thing turned out all right.

The cast of the play is as follows:

The Lafayette High School Band, under the direction of Mrs. Merle Abbott, has had a very successful year. Last summer two outdoor concerts and ice cream socials were given with the help of band parents. The band took part in the Labor Day parade at Louisville, September 5. On September 24, they participated in the University of Colorado Band Day held in Boulder in which they received a superior rating. The band put on halftime entertainment for Ft. Lupton, Brush, Eaton, and Louisville football games. They traveled to College High and Wray through the courtesy of the local townspeople who furnished a bus. The band played for all pep assemblies and between acts in the Junior Play. A concert was given in February with the chorus. The band also attended the State Music Festival at Englewood where they received a II rating last year.

The Bobette Pep Club, under the sponsorship of Mrs. Merle Abbott, was active again this year. The high points of the year was an attendance record maintained during both football and basketball games and an initiation party held January 10 for eleven new members. During the busy football season the Bobettes made small megaphones for sale to the public as one of their money making activities. They also performed with the band during the halves of several football games.

During all the sports activities throughout the year the cheerleaders have been outstanding in their work in cheering the teams to victory.

Through the cooperation of these girls and the student body we promoted better sportsmanship and school relations.

Homecoming

Sylvia Swink was chosen Homecoming Queen of 1955 by the football squad. Madge Graham and Carol Dodds were her attendants.

Clancy Waneka, president of the Alumni Association, presented the queen and her attendants with mums during the half time celebration at the Homecoming game between Lafayette and Eaton.

Captain Dave Vickles and Co-Captains Ed Conway and Ken Zaike were the girls' escorts at the Homecoming Dance.

Aub Gahns' orchestra provided the music for the dance.
